Match numbers 1 to 1, 2 to 2, etc.

2 Install the Graphic

Carefully pull the graphic print over the frame, ensuring both sides are pulled down at the same time.
Zip

It helps to have a second person to pull the other side simultaneously.

3 Attach LED Lights (Optional)

Attach light clips to the frame (knobs facing back) and tighten until secure. Slide LED lights into the top grooves.

To avoid stripping the light clips, do not twist the knobs too tight.

4 Align the Display

Stand up the frame and shift or wiggle the corners until it's aligned and standing straight. Plug in your lights and your display is ready for action!

You can adjust the frame alignment by having a person on each side gently shift the top corners until the display stands completely straight.

Hardcase / Podium

## ASSEMBLY INSTRUCTIONS

BOX CONTENTS

**(1) Case Shell A** **(1) Case Shell B** **(1) Counter Top** **(4) Poles** **(1) Podium Graphic**
(Ships Separately)

---

1 Assemble the Frame

Place Case Shell A on the floor and securely insert the poles into the four holes. Then align Case Shell B over the four poles, match up the holes, and fit securely into place.

To ensure poles are inserted correctly, twist or firmly press down until they are fully secure.

---

2 Install the Graphic

Starting at the base, wrap the graphic around Case Shell A and pull up over the top of Case Shell B, one corner at a time. Adjust the graphic so it's straight, then zip the back.

---

3 Attach the Counter Top

Place the black Counter Top piece on top and press down to ensure the grooves fit over the edges of the case shell.

---

4 Store Personal Items

Hide samples, marketing materials, or personal items inside the podium by storing under the case lid or within the zipper compartment in the back. Your Podium is ready for action!
