1

Assemble the Frame

Connect the poles by matching up the numbers. Attach support feet to the bottom of the frame.

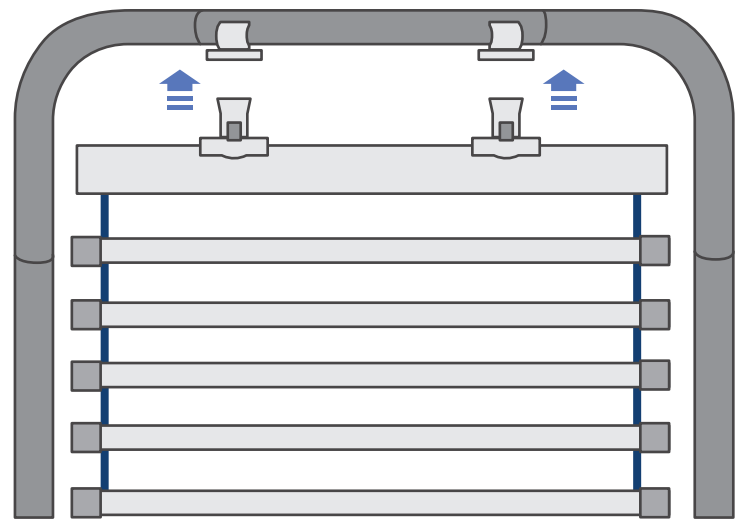

Match numbers 1 to 1, 2 to 2, etc.

2

Connect the Lights

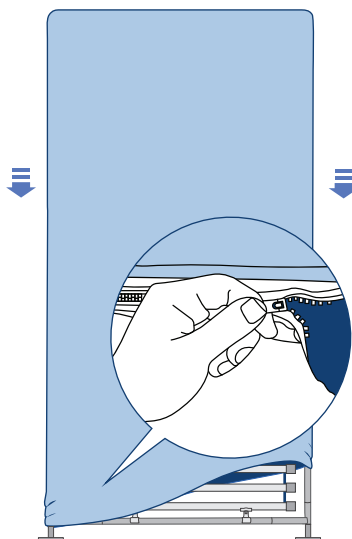

Snap the roll of light strips into the clips found on the top and bottom poles of the stand.

3

Install the Graphic

Carefully pull the graphic print over the frame, ensuring both sides are pulled down at the same time.

4

Plug In

Connect the lights to the power cord, plug in to a power source, and enjoy!
